Title: The Warriors Codex

Author: Merci d'Rue

We are the Forsaken, We
are the Chosen, We are
the Guardians of
Stonegate.

Destiny doth call you,
Pride doth beseech you,
Will you stand between

Life and Death, throw
your lot into the sanctity
of our realm.

What say you to the
ideals of the warrior, the
path of the Forsaken
lot? Do you stand tall

be ye mage or
swordsman, crafter or
cook. Silent warriors
pushing fate upon the
weak and undesireable.
Each man, woman and
child has value and worth
of our kind and freely,

gladly, we welcome those
with strength of heart,
and peacefulness of mind
into our fold.

Here is where your true
kind lays, for races,
religions, looks do not

seperate the true family.

Now is the time to take
up the gauntlet, to drink
the forbidden draught, and
tell the world who you
are. This is your story,
the Warriors Story.

The Guardians of
Stonegate Shall prevail,

Only, The Strong
Survive....

If my words inspire thee,
Myrddin, The King awaits..
